Dear Sir/Madam

I am writing to recommend Joey Tan for her outstanding performance during her internship at the Singapore University of Social Sciences (SUSS) in 2023. Throughout her time here, Joey demonstrated a remarkable understanding of product design, strategy, and the overall project landscape.

Joey's impressive contributions included developing a Command Line Interface (CLI), conducting extensive research on key AI/LLM topics, creating coding exercises, and spearheading the development of the project website. Her dedication and commitment to delivering high-quality work were truly evident throughout her internship.

Feel free to contact me if you require additional information regarding Joey's internship at SUSS. I endorse Joey for any future opportunities and am confident she will excel in her professional endeavors.

Yours sincerely,
